# ALLCHILD

*Celebrating **10** years*

## 2011

Visit to Harlem Children's Zone, inspiring a different way of working with communities to create lasting change for children that would become AllChild

## 2013

Laid the foundations for our work in West London through community listening in White City and Ladbroke Grove and working with 40+ community leaders

## 2015

Launch of the West London Zone pilot Impact Programme with 118 children and young people

## 2016

Launched our first partnership with Hammersmith and Fulham Council, bringing communities together around children and young people's outcomes

## 2017

Adapted and expanded to North Kensington after the Grenfell Tower fire to support children and families facing increasingly tough challenges

## 2018

91% of children and young people improved their social and emotional outcomes after completing the first AllChild Impact Programme

## 2019

Our first community day brought 200+ families, delivery partners and children together from across our boroughs. Since 2019, 2,000+ people have connected at over 20 community events

Expanded to Westminster and Brent, bringing AllChild's work to 4 boroughs across West London

## 2020

We shift to online delivery during the COVID-19 pandemic to keep vital support going for children, families, and schools, resuming in-person support at the earliest opportunity

## 2021

For the first time AllChild worked with over 1,000 children and young people in a year, across our communities

## 2023

We launch our Alumni network, starting with 5 children. Since 2023, 85 children and young people have taken part, working together as an empowered body of youth voices in their communities

## 2024

Renamed to AllChild – representing our ambition and vision to be a national organisation working locally

Launched our first partnership outside London in Leigh with Wigan Council

## 2026

AllChild partnerships continue to grow, launching in Hastings and expanding in Wigan and Salford

## Now

AllChild celebrates its 10-year birthday! To date we have supported 7,500+ young people in 78 schools, across 15 communities
